Memo For Record 26 Mar 59

Soalgaker called this date saying that he intends to come to Wash D.C. to meet a friend from Jordan and wonders if we want to see him.

I replied we do and that I would call him back by Mon. 30 Mar. to arrange a meeting.

Called [redacted], IRD, asking him whether he wanted to question subject. Nick asked for his complete file to study and asked by Monday 30 Mar 59 with a decision whether to see subject and outline his status in order that we can again ask CIA to review subject's clearance.
